

Wei Zhang

Delft | wei.zhang@example.com

Summary

Mechanical engineer. Master of Engineering. CAD, SolidWorks and finite element analysis. Internship at BYD.

Experience

Mechanical Engineering Intern, BYD, Shenzhen, China

Jun 2023 - Dec 2023

- Designed battery housing parts in SolidWorks
- Ran finite element analysis for thermal loads
- Produced technical drawings for production

Education

Master of Engineering, Mechanical Engineering, Tsinghua University, 2022 - 2025

Bachelor of Engineering, Harbin Institute of Technology, 2018 - 2022

Skills

SolidWorks, CAD, ANSYS, MATLAB

Awards

National scholarship, China, 2021
